

MOISIO PSYCHIATRIC HOSPITAL MUSEUM

Main building of the Moisio Psychiatric Hospital (Photo by Raimo Kontinen)

Moisio Psychiatric Hospital is located in Moisio Hospital in Mikkeli.

The main function of the museum is to record the 85 -year old history of Moisio Psychiatric Hospital and preserve historical objects related to the Hospital. Moisio Hospital was built in 1927.

In the museum one can find medical equipment and very documented history of the patient care in Moisio. The guides are retired employees of the hospital and they have the overall insight of the functioning of the hospital.

The entrance to the museum is by the main building. There is a deep staircase leading to the museum.

The doctor's office.
